Many of you all have been praying for our building situation, and you may know that we need more space in our main meeting room. We are currently renting a storefront and have asked prayer for the project of joining several rooms together to form a larger meeting area. We had received initial approval on the project months ago but kept encountering delays. Many phone calls we placed were not returned, and there have been several other setbacks. A man from our church who is helping Jon plan the work said that it has been "like pulling teeth" to make any progress on this needed renovation.

Well, we have just received some indication of why God may have not allowed us to start this project yet. A church in the area contacted Jon and asked if we would be interested in renting/purchasing their building. They are planning to move to another town. The church building that is opening up has three times the space of our current building and is directly across the street from base housing. This would be an amazing opportunity for us, but nothing is official yet. Jon is discussing the details with the other pastor. We need your prayers in this matter! Please pray for God to provide the finances and to guide the outgoing church to be generous toward us. Thank you for your faithful prayers. We also have some encouraging praises to share with you.

Praises:

We thank the Lord for a great summer for Freedom Baptist Church! Our church has been very busy but productive. Five people were saved through our summer outreach programs since our last prayer letter. We were also able to give out over 3000 John and Romans Scripture packages to the community in the last couple months. Our VBS program went well with several children getting saved and making other important decisions for the Lord.

We thank the Lord for the blessing this summer for our family! Our family all enjoyed helping with the many church activities over the summer. We were invited to participate in a nice getaway with 3 other missionary families in Tennessee for a few days. Our children had a wonderful time of fun and growth in the Lord at summer Bible camp in Maryland. Please pray for our family's homeschool. Pray also for good health and for some upcoming dental needs for some of our children.

Nurseries and Children's Classes are available for your assistance. Children are always welcome to sit with their parents during the Worship Services of FBC. However, if you have an infant or a non-school age child sitting with you, then out of respect to others worshipping, please sit in the back three rows of the Sanctuary, so if your child becomes a disturbance, you may quickly exit.
